

Compare & Contrast Planning Forms

Now we are going to plan our very own lesson using the Compare & Contrast strategy. You will be using the content you brought to this session to create your lesson. As you move through the planning forms below, keep the principles and phases of Compare & Contrast in mind, for they will help to focus and enrich your lesson.

Lesson Title:

Figure 2.21 – Step 1

Identify the lesson's...

Standards to Address:

Purpose:

Sources:

Criteria:

Figure 2.22 – Step 2

Develop a visual organizer for students to record their comparisons.

Examples:

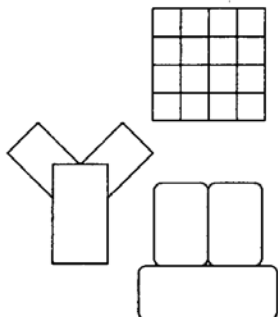

Figure 2.23 – Step 3

Design discussion questions to help students draw conclusions.

1.

2.

3.

4.

Figure 2.4 – Step 4

Create a task that will help students to synthesize their learning.
